BANNING BOOKS

People have been banning books in libraries, classrooms, and even nations since the BC ages! Even some classics have been banned!

Top 10 classics that have been banned:

WHY DO BOOKS GET BANNED

The 9 main reason book usually get banned for are:

1. Racial themes
2. Alternative Lifestyles
3. Profanity
4. Violence
5. Negativity
6. Witchcraft
7. Unpopular religious views
8. Unpopular political views
9. Any Theme Judged Unsuitable for a Particular Age Group

WHY IS BANNING BOOKS BAD

4 reasons banning books are bad:

1. You may not like something, but that's no reason to take it away from everyone.
2. "Protecting" children from the reality of our world is useless because they will find out about it when they're older.
3. Books are among our best teachers.
4. Books can change the world.

WHY SHOULD WE CELEBRATE READING

There are many reasons why celebrating reading is important.

First being reading has been a way of learning for so many years, why should it stop.

The second reason is reading is something that person uses everyday no matter what they are doing.

Third being if we don't celebrate reading then the next generations won't read, that also means no writers will write anymore.

Help celebrated banned book week!
